

Tools for the Journey

Conversations You Need to Have With Your Teen Son

Talk about what a healthy relationship looks like.

Talk about choosing positive friends.

Talk about post-high school or college plans- early!

Talk about leadership and serving others.

Talk about investing time into something bigger.

Talk about his interests.

Talk about what is important to him.

Talk about how to manage a budget.

Talk about building his legacy.

Talk about taking responsibility for his actions.

Talk about temptations and making responsible decisions.

Talk about the importance of honesty.

Talk about his goals in life.
